### Productomschrijving

Riex NB35 Ball Bearing Slide, Full Extension, 25 kg, H35 Full extension ball bearing slides designed for installation on wooden drawers. These slides ensure smooth and effortless operation with a full extension length matching the nominal slide size. Featuring a robust 0.8x0.8x0.8 mm solid structure, they include a rubber stop that holds the drawer securely in the closed position. Key Features: Full Extension: Matches the nominal slide size for maximum accessibility. Solid Construction: Thickness of 0.8x0.8x0.8 mm ensures reliability and practicality. Easy Installation: Separate profiles allow quick and efficient mounting. Rubber Stop: Rubber stop mechanism secures the drawer in the closed position. Load Capacity: Supports weights ranging from 13 kg to 25 kg depending on slide length. Enhance your drawer functionality with these ball bearing slides, perfect for applications requiring practicality and precision.
